Kindergarten Registration Open

Kindergarten registration is open for Sept 2025. Online Registration application is available on the School District website or you may come into the school and register in the office.

Parent Teacher Interviews

On April 23rd and 24th, the school will be dismissing students 1 hour early (**1:05pm dismissal**) to help provide time for teachers to hold needed parent-teacher conferences. If you want a time to discuss your child's learning, please connect with your child's teacher for a meeting. If these days do not work, please ask for an alternate meeting date that is mutually convenient. Our goal here is to ensure you are well informed of your child(s) progress as we near the end of the school year.

Federal Election Voting Site

150 Mile Elementary is hosting a voting station for the upcoming Federal Election on April 28th all day. The voting stations will be in the gym. To keep school disruptions to a minimum, please park on the sides of the school and walk in the main front doors closest to the gym. In the interests of safety, please do not drive vehicles along the top driveway in front of the school as students walk, run and play along here all through the day. Mobility access is at the front door and if required please drive very slowly.

Breakfast, Lunch and Snacks

If your child needs some breakfast, lunch or snack items, 150 Mile Elementary has funding to help support students access food for their day at school. Have your child notify any adult in the building and we will be more than happy to get them some food. Breakfast options are laid out each morning for students to simply 'grab and go', snacks and lunches are available upon request. This program is designed to help those in need primarily, but often students need more food or forgot their lunch and in this regard we are more than happy to help too!

Updating School Contact Info

For families who have changed any contact information, please call the school at 250-296-3356 and we will update our school records. Items that need continual updates are phone numbers, email addresses, mailing addresses, and custody orders. Thank you for helping us keep your records up to date.

Strong Start

This free drop in program for children 0 – 5 years of age Strong Start is open from 8:15am to 11:15am. Days of operation are Tuesdays, Thursdays and Fridays. Drop in to see what this fun and dynamic program is all about! Tara Flanagan is our coordinator!
