Well done and thank you for your efforts to make our school an even better place. Our next SOM assembly will be December 1st, 2023.

Halloween: It was great to see all the students and staff having fun at the school. Thanks to Tom Arduini for this group shot of everyone in the gym.

Munch a Lunch – We are working through the orders and Brandy continues to get options that work for our students with variety and cost being the priorities. If you would like to Volunteer with Wednesday lunches, you can sign up as a Volunteer on Munch a Lunch.

Volleyball – Our players have been having fun representing our school at other sites. They continue to improve their skills, but I have been impressed with their sportsmanship and their ability to have fun, even if they don't score the most points.

Feeding Futures - We have been providing healthy snacks for students before school and at lunch. Please remind your children this is meant to support students who may be hungry at that time of the day. Please discuss the importance of utilizing the service in a responsible way, and more importantly not wasting food. A big thank you to those parents who have been able to help with the food prep and serving. I will be attending a community forum on November 8 from 10:00 am to 2:00 pm to share what we are doing in our school to provide food for our students.

School Photo retakes – will take place on Monday, November 6th, 2023.

PAC Meeting - The next PAC meeting will be held on Wednesday, November 22nd here in the staff room at 5:30 p.m.

Fundraising events happen frequently throughout the year in the hopes of raising money to provide opportunities for our students. THANK YOU to our PAC who works throughout the year organizing events through fundraising. Thank you for supporting these events.

Report Cards – “Learning updates” will be provided three times throughout the year. Remember there have been some changes with reporting in BC. I have included some links that you can peruse at your convenience.
