### Principal's Message

This Thursday we hosted the X Country Run, and thanks to the awesome job that our PAC did with the concession, the day was a great success. Thanks to all the staff that worked above and beyond to make this day a success. Congratulations to all our runners who helped our school place second overall. School will be busy with sporting events and year end field-trips, so please check in your child's school planner to stay up to date on events for their class.

Ty Lytton

### PAC Market on June 1st

Next month our PAC is hosting the Forest Grove Market in out school parking lot. Anyone can rent a table for 15\$ and sell their goods or garage sale items. There will be the usual Forest Grove market products plus some extra treasures up for sale. Come stop in and see what you can find.

### CPAC News (Community and Parent Advisory Council)

All parents and guardians of children attending Forest Grove Elementary are invited to participate in our local Community and Parent Advisory Council (CPAC). The Forest Grove CPAC plays a significant role in making our school a better place. This group of parent volunteers is involved in many aspects of school life at Forest Grove Elementary including involvement in our breakfast program, our hot lunch program, fund-raising and supporting various curricular and extra-curricular activities.

We are always looking for more help with the breakfast program and our recycling program. Please let the school know if you would be interested in helping with either of these. The next PAC meeting will be held at school on June 3<sup>rd</sup> at 5:30 pm.

### Sports Day June 4th

On the first Tuesday of June, we will hold our Forest Grove Sports Day for the gr. 4-7's and game day for K-3's PAC will be providing hot lunch and events will kick off around 10:30 and wrap up after lunch around 1:00. Parents are welcome to come and watch or help out on the day.

### River Champions presentation

On May 21<sup>st</sup> we will be visited by the River Champions group from New Westminster. They have a river model table that can demonstrate a river system in real time. The presentation is designed for grades 2-7 and those classes will get a 70-minute presentation throughout the day.

### Jump Rope for Heart May 30th

Our school will be doing the Jump Rope for Heart Day again this year on May 30<sup>th</sup>. Please visit and get friends or family to visit <https://jumpropeforheart.crowdfunder.ca/44756> to support our school with this fundraising. There is a QR code on the back of this newsletter that makes donating a breeze. If parents would prefer to send cash donations to school, we can accept them as well, but will not be able to give an income tax receipt. Looking forward to an afternoon of jumping for heart health.

### Welcome to Kindergarten event – May 28<sup>th</sup>

The W2K event will be held on May 28<sup>th</sup> starting at 12:30 this year. Packages will be going home to those families that have registered with the school. Anyone that has not registered is asked to contact the school and we can take care of that for you.

See reverse for events listing.
