# BACK TO SCHOOL

I am thrilled to welcome all of our students and families back to Mile 108 Elementary for the 2024-2025 school year! After a fun and restful summer, I know our students are eager to reconnect with friends, dive into new learning adventures, and continue growing both academically and socially. Most importantly, I'm excited to see the smiling faces of our students filling the halls again!

This is going to be an incredible year full of learning, growth, and community. I can't wait to see all that we will accomplish together across the new school year! Enjoy your last bits of summer and I'll see everyone soon.
