Jacob Stadnyk's Art Project

Stop the presses! Jacob has been cooking up something epic in art! With a passion for history and a knack for model-making, he's conjured up a stunning Tiger H1 WW2 tank using nothing but cardboard, paper, and hot glue. But wait, there's more! He dove headfirst into the wild world of airbrushing and added some fine hand detail painting to give it that extra oomph! Hats off to you, Jacob!

GR 8 GIRLS BASKETBALL

It was a historic moment when our Grade 8 girls took to the field to showcase their skills in front of their classmates. Sadly, the Jr. Girls Team won by a hair, but our girls are thrilled for the next round! Speaking of the next round, they recently battled Williams Lake and are now prepping for the Northern tournament this week. Go girls, go!
