PSO AMAZING THINGS

Dec 15th, 2023

Every week, PSO will be sharing with our community, the amazing things that are happening within our school!

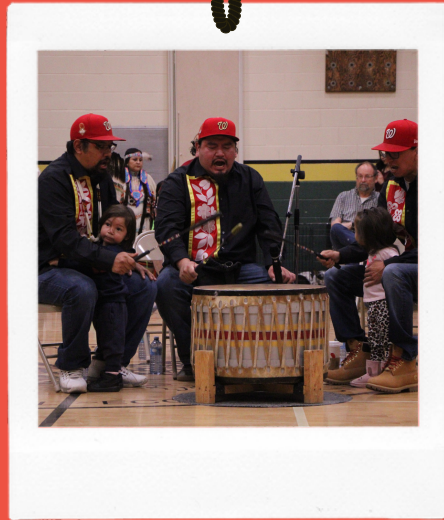

#1

CLIMBING CLUB TRIP TO KAMLOOPS

19 students and two teachers went to Kamloops for a climbing trip. Students did 2 hours of climbing including belay training for all. Some students received some technique training. It was fun to try new routes, in different styles and with different holds. The bigger variety was the best part of the trip. Best quotes of the day “we should do this again, ... like next week”, and “wait, how can it be over already”.

INDIGENEITY DAY #2
