

May Newsletter

Dear Families,

As we move into the month of May, we have several meaningful and exciting events planned. Please take a moment to review the important dates below and mark your calendars.

May 5th – Red Dress Day

On May 5, our school will join in to remember Missing and Murdered Indigenous girls and women.

To mark this important day, we will hold a smudging ceremony and join together in singing the Women's Warrior Song.

Students and staff are encouraged to wear red, and/or ribbon skirts/ribbon shirts as a sign of respect and solidarity. This day is a time to reflect, learn, and support the call for justice and safety for Indigenous communities.

May 5th - Chief Willie Sellars from 1:00–2:30 PM

May 11th – Mother's Day

Wishing a happy and peaceful Mother's Day to all the wonderful caregivers in our community.

May 14th – Tour of L.C.S.

Grade 10 students will have the opportunity to visit Lake City Secondary in Williams Lake for a school tour.

May 19th – Victoria Day – No School

School will be closed on this public holiday. Enjoy the long weekend!

May 28th – Bowling Field Trip to Williams Lake

Students will take a fun field trip to go bowling from 10am-12pm then lunch in Williams Lake. Keep an eye out for permission forms and more information coming out shortly.

Wishing all caregivers a wonderful month of May. Spring is a season of renewal, and we see that same energy in our students – growing, learning, and blooming with potential. Thank you for being a vital part of their journey.

— Alexis Creek School
