WHAT'S
YOUR
DREAM?

Heavy Duty Equipment Technician

is a nationally designated trade under the Interprovincial Red Seal program.

A Heavy Duty Equipment Technician is a person who maintains, manufactures, overhauls, reconditions and repairs equipment powered by internal combustion engines or electricity and without limiting the foregoing, including graders, loaders, shovels, tractors, trucks, forklifts, wheeled and tracked vehicles of all types used in construction, logging, sawmill, manufacturing, mining and other similar industry.

Credential issued

ITA Certificate of Qualification
(Heavy Duty Equipment Technician)

How do I apply?

Applications for this 32 week program are being accepted from School District No. 27 students on a first come basis. Selected students enter the program in September of their grade 11 or 12 year.
