

WOLVES IN MAY

CROSS COUNTRY MEET

After weeks of training, almost 90 students headed to Forest Grove to pump their legs in the annual Cross Country Run. Students ran distances of 1, 1.5, and 2.5km on a VERY wet Thursday earlier in the month.

TAKE ME OUTSIDE!

LOTS of outside learning taking place at 100ME these days! Mrs Lindberg has been utilizing the park, Mme Vautour & Mr Feissli have built and installed raised beds behind the library, Mrs Simcox & Mrs Varney continue to make the most of the spring via trips to the UBC research forest as well as the woods in our own backyard. A multitude of research shows the benefits of being outside, so take that next sunny afternoon and get out there!

SPRING CARNIVAL

Thank you to the PAC for organizing our Spring Carnival! All of the students enjoyed a chance to try their hand at games, have their faces painted, and even jump around in a bouncy castle.
