

Red Tomato Pies Student of the Week

Lake City Secondary—WL

November 2, 2022

Falin Durrant

Mr. Cebuliak chose Falin as student of the week and would like to thank her for recognizing that Literature Studies should not be solely characterized by the works of those most easily heard. Falin clearly understands that too many voices have been lost, in the proliferation of stories about white boys and their dogs. Thank you Falin for defending the dignity of the underrepresented and misrepresented. Thank you for permitting, encouraging, and demanding spaces for all voices and allowing curiosity to enrich your mind and soul. Thank you Falin for reminding us that civilized, democratic nations are built on such respect!
