

Red Tomato Pies Student of the Week

Lake City Secondary—WL

November 9, 2022

Livia Seabourne

Mr. Crews chose Livia because she is a very dedicated student that gets the complexities involved in grade 10 Science and Math. Livia always completes her assignments and the quality of the work is usually top shelf. She makes sure that her fellow classmates get the concepts too by helping them after she has completed her work. Her ability to manage her school and sports life is impressive and she is always prepared despite her busy schedule. Great job Liv!
