September 11-15

Tanner Hudson

Tanner Hudson has done a good job shifting from the expectations in Elementary to Middle School. He works hard in class, making sure he completes assignments given to the best of his ability and ask for help where needed. He does a great job advocating for himself so that those around him are able to provide support where possible. Tanner Hudson has a big smile most of the day, a great sense of humour and has shown an exceptional level of success in Art.
