

# Red Tomato Pies Student of the Week

## Lake City Secondary—WL

January 11, 2023

**Spencer Norris**

Ms. Gysel chose Spencer for student of the week because of his determination to accomplish his hopes of graduating this year...and I have no doubt that he will succeed! Spencer has a great attitude and has made huge progress here at Lake City Secondary. Spencer's dedication to showing up and getting things done is very admirable. You got this, Spencer!
