

# Red Tomato Pies Student of the Week

## Lake City Secondary—WL

February 15, 2023

**Sephara Johnson**

Mr. Lavoie chose Sephara as student of the week because over the course of the semester she really stuck her nose to the grindstone and improved her marks. When unsatisfied with her essay mark, she took extra time to improve and handed in a much stronger paper. She also provided the class with a copy of "Honour of All: The Story of Alkali Lake", a local film that highlights alcoholism and sobriety in Alkali Lake. Further, she consistently brings a positive attitude to the table. A great improvement for Sephara this year that deserves to be recognized. Way to go Sephara!
