

Red Tomato Pies Student of the Week

Lake City Secondary—WL

May 10, 2023

Chase Lamont

Mr. Wintjes says, “Chase Lamont has challenged me as an educator to provide equity in education. His unique, joyful, learning style engages in me thoughtful planning, reflection, and assessment strategies, to ensure learning takes place given his individual needs. Chase has made me into a better educator which is why I have selected him as Student of the Week. Well done Chase! Every child has this same ability within them; it is up to our educators to recognize this and to act on it in positive ways.”
