

# Red Tomato Pies Student of the Week

## Lake City Secondary—WL

May 17, 2023

**Xen Morgan**

Mrs.Caddy and Mr.Julius choose Xen Morgan for student of the week. Xen is a thoughtful student who thinks about the feelings of others. Xen was new to the school at the beginning of the year and took a bit of time to adjust, but Xen has improved his attendance this semester and has really engaged in his classes. Xen enjoys his Shuswap 11 class and is a leader, particularly with the crafting assignments. Xen is proud of his First Nations culture and participated in Orange Shirt Day celebrations in Niagra Falls this school year. Xen really enjoyed the First Nations cooking unit in his Foods 11 class, and enjoyed sharing about the foods his family prepares. Keep up the good work Xen!
