Ren Becker

Gail Gardner and Tracy Walton have selected Ren Becker. Ren comes to learning support for either a quiet place to work or help completing assignments. While she is in learning support, she is respectful, kind and often willingly helps other students. She is a great mentor and support of students with diverse needs. Ren has the incredible capacity to overcome adversity and keeps striving to become the best that she can be. We appreciate Ren's unique learning style and her ability to advocate for herself. We enjoy having the opportunity to work with her!
