

POLICY 510 – PROTECTION OF STUDENTS AND MAINTENANCE OF ORDER

Section 177 of the School Act prohibits the disturbance or interruption of school proceedings or official school functions and authorizes principals and other school and district administrators to direct individuals to leave school property and to call for assistance from a peace officer if necessary.

The Superintendent will establish procedures for authorized employees to make such direction and to follow such courses of action as deemed appropriate to maintain order on school premises and to ensure the protection of students and staff.
