

## Briefing Note

**TO: Education Committee**

**FROM: Cheryl Lenardon**

**DATE: January 12, 2022**

**RE: Strategic Planning Update**

---

### **BACKGROUND**

The District Plan for Learner Success includes intentional actions and deliverables toward improvements in the identified key focus areas. The status and results of these actions are documented in scorecards for each focus area. These scorecards have been updated to reflect the efforts and accomplishments to date.

### **DISCUSSION**

The scorecards are published on the District [website](#) (*Our District → Strategic Planning → Scorecards*). Scorecards list the actions or initiatives and the indicator of success, specific target, review date, and outcome of each.

There has been measurable progress in all focus areas. Highlights include:

- Tremendous participation of educators in high quality professional learning on Non-Instructional Days and learning rounds.
- Implementation of helping teacher roles and service framework
- Introduction of Framework for Collective Responsibility
- School-based Team process update introduction
- Special Education designation verification process in place
- SOGI leads at all schools, district team active, schools setting goals for SOGI-inclusive environments
- School Plans for Learner Success alignment with District Plan and provincial framework and engagement of staff in school plans
- Leadership Team active and meeting
- Administrative procedures developed and made available on website
- District-wide professional learning day on Truth and Reconciliation (more than 800 participants from staff and community)
- Delivery of LEA education series to all school staffs
- 100+ participants in 8 module Ripple Effect of Resiliency course

- 
- 100+ educators committed to year-long Take Me Outside for Learning Challenge
  - Expansion of outdoor learning at Marie Sharpe and classes regularly attending at Scout Island
  - Development of Independent Directed Studies framework for granting graduation credits for community and cultural learning
  - Finance systems purchase order system implementation
  - HR automated leave and call-out systems
  - New website and staff communication portal
  - Phase 1 of computer hardware refresh for staff and students
  - IT ticket system, automated Teams system for schools, depts and classes, automated user account creation, software management solution

Scorecards also set out other work in progress or planned. A further update will be provided in the Spring.

### **RECOMMENDATION**

None. Information only
