It is a good idea to have a back up plan.**

If bringing a horse, the user should have their home insurance liability extended to horses.

Submitting this application form **does not guarantee approval** for your desired mode of transportation. All rules of the road apply which includes relevant insurance regulations (having current insurance or day permit) and licensing requirements (i.e. display your 'N' if required). Grads – keep this information handy:

Things that are prohibited:

- Loud music and loud revving of engines (respect the community!). Music is allowed but must be “clean” – it must be language that all ages can enjoy (keep profanities out of your play list) and cannot be deafening loud.

Please ensure that both the graduate and their driver/families understand the rules to ensure that everyone has the best experience!
