

School District No. 27 (Cariboo-Chilcotin)
COLUMNEETZA JUNIOR SECONDARY

1045 Western Avenue
Williams Lake, BC V2G 2J8

Phone: 250-392-4158

2024/25 School Year

Dear Parents/Legal Guardians,

At Columneetza Junior Secondary, we strive to create many experiential learning experiences and many classes try to *get outside each week to do just this.*

Many learning experiences take us off school grounds. This permission slip is for you to sign off on any walking field trips throughout the year that your child will be part of with his/her class. Walking fieldtrips may involve crossing busy streets. They will be crossing at corners or crosswalks, however there are risks when walking. Your child may injure themselves by falling, twisting an ankle, could potentially get injured from vehicular traffic, have risk of insect bites, encounters with animals and exposure to weather. Supervisors will do everything to create safe trips for your child.

Off school ground walking field trips may include the following destinations: the Dairy Fields, fit runs in PE, places downtown, Nesika, TRU, and the neighbourhood, The teacher will let you know of adventures your child embarks on before they occur.

Any field trips that necessitate transportation to and from the event or involve activities or conditions other than set out in this form, will continue to have a separate permission slip.

If you have any questions, please don't hesitate to contact the school. Please have your child return the form to their A-Block Homeroom teacher as soon as possible.

To complete the form, please print clearly and include your signature:

Walking Field Trip Permission Form – Columneetza: 2024/2025

Student's Full Name: _____

Grade: _____

I _____ give my child _____ permission to go on walking field trips with his/her class throughout the 2024-2025 school year.
