**Board of Education  
Cariboo-Chilcotin School District #27**

(July 2020 – June 2024)

## **INTRODUCTION**

The negotiation and adoption of a Local Education Agreement (LEA) provides a significant opportunity for a First Nation and a Board of Education to focus attention on improving educational outcomes for First Nations Students and on developing the relationship necessary to accomplish that mutual goal.

Boards of Education and First Nations are encouraged to negotiate a customized LEA reflective of their relationship and any specific or unique circumstances.

Yunesit'in Government approaches the LEA with the expectation of beginning the dialogue to best support our students directly.

THIS AGREEMENT made and entered into this 23 day of June, 2020 shall be effective from the 1<sup>st</sup> day of July 2020.

BETWEEN:

**THE YUNESIT'IN GOVERNMENT**

(hereinafter called the "YG")

AND:

**THE BOARD OF EDUCATION**

**SCHOOL DISTRICT NO. 27**

(hereinafter called the "Board")

(collectively called the "Parties")

**WHEREAS**

- A. On July 1, 2018, the Province of British Columbia, the Government of Canada and the First Nations Education Steering Committee entered into the BC Tripartite Education Agreement ("BCTEA"), agreeing to work together to make systemic shifts to support successful educational outcomes of all First Nation Students, regardless of where they live or are enrolled in school in British Columbia, through the provision of high quality and culturally relevant elementary and secondary educational programs and services, and supported by funding that is responsive to unique needs of First Nation Students, First Nation Schools and communities.
- B. The parties to the BCTEA recognize Local Education Agreements ("LEAs") as an integral part of the delivery of education services to First Nation students attending BC Schools, as they are an important mechanism for building relationships between First Nation communities and boards of education and schools to support improved First Nation student outcomes.
- C. In furtherance of this, the parties to the BCTEA developed Guiding Principles for LEAs and this Provincial LEA to serve as a standard LEA for First Nations and boards of education and apply, at the request of a First Nation, where there is no existing LEA between a First Nation and a board of education.
- D. The Parties recognize that the signing of this LEA is a step consistent with the Province of British Columbia's commitment to adopting and implementing the *United Nations Declaration on the Rights of Indigenous People* (the "UN Declaration") and the Truth and Reconciliation Commission (TRC) *Calls to Action* for reconciliation. In addition, the Parties agree that this approach intends to follow British Columbia's *Draft Principles that Guide the Province of British Columbia's Relationship with Indigenous Peoples*.

- E. The Board has the authority, under section 86 (3) of the *School Act*, to enter into agreements with a Council of a Band as defined in the federal *Indian Act*, RSC, c. I-5, or the council of an Indian band established by another Act of the government of Canada, with respect to the education of First Nations Students.
- F. YG, pursuant to its inherent jurisdiction over educational matters, has the authority and responsibility for the education of First Nation Students and desires to ensure its students all have access to, and receive, quality education that is respectful and reflective of their unique culture and history.
- G. The Parties agree that the principals, teachers and other staff in BC Public Schools have a central and important role to play in the provision of quality education programs and services and in the implementation and effectiveness of a LEA.
- H. The Parties wish to enter into this Agreement to set out the terms and conditions regarding the purchase of education services by YG from the Board for the YG's Students.
- I. YG enters the LEA acknowledging that this is our best means of supporting students and advocating for improved communication and participation.

**THEREFORE** the Parties agree as follows:

**1.0 PURPOSE**

- 1.1 The Parties agree that the purposes of this Agreement are to:
  - a) Confirm the mutual commitment of the Parties, and acknowledge the important role of Schools, to build a positive, effective, collaborative and constructive relationship to improve the YG's Students' educational outcomes and achieve high levels of First Nation Student success, graduation and transition to post-secondary education and training, or employment;
  - b) Set out the roles and responsibilities of the Parties and School(s) to meet the purposes and objectives of this Agreement, consistent with the BCTEA; and
  - c) Serve as a core shared accountability mechanism for both YG and the Board regarding the education of First Nations Students in the School District.

## 2.0 GUIDING PRINCIPLES

2.1 The Parties will be guided by the following principles:

### **First Nations' Central Role in First Nations Education**

- a) Indigenous families and communities have the right to retain shared responsibility for the upbringing, training, education and well-being of their children, consistent with the rights of the child, and Indigenous peoples have the right to establish and control their educational systems and institutions providing education in their own languages, in a manner appropriate to their cultural methods of teaching and learning.
- b) First Nations in British Columbia have control of, and decision-making responsibility for, First Nations education.
- c) First Nations have a central role in the education of their students, regardless of where they attend school.

### **First Nation Students Access to Quality Education**

- d) First Nation Students, at all levels of education, must have access to educational opportunities that:
  - i. ensure that they are confident in their self-identity, their families, their communities and traditional values, languages and cultures;
  - ii. give them the skills they need to thrive in contemporary society, including 21st century technological skills; and
  - iii. prepare them to access any opportunities they choose for higher learning, employment and life choices.

### **Reconciliation & Collaboration in First Nation Education**

- e) First Nations education in British Columbia is highly complex, engaging federal, provincial and First Nation authorities, roles and responsibilities and, therefore, requiring collaboration and cooperation to ensure that all First Nation Students are supported to achieve successful education outcomes.
- f) The gap in educational outcomes between First Nation Students and non-First Nation students is a persisting legacy of colonialism, and concerted efforts and proactive measures are required to eliminate this gap and contribute to reconciliation in education.
- g) The Parties have a shared interest and priority in supporting excellence in First Nations education, including supporting First Nation Students to fulfil their educational potential by having access to and receiving quality education that is respectful and reflective of their unique culture and history.
- h) Strong, effective and inclusive educational systems provide a fundamental opportunity for building relationships and advancing reconciliation between the Crown and First Nations, as

expressed in the TRC's Calls to Action and the UN Declaration.

- i) Quality First Nations education includes standards, programs, services, school supports and investments that provide appropriate tools and resources aimed at achieving successful First Nation Student outcomes and achievements, while addressing their unique needs.
- j) Curriculum, materials and resources will meaningfully reflect YGs' culture, values, language and traditions, as approved and determined by YG or its designate.
- k) LEAs are an important mechanism to facilitate relationship-building, from negotiation through to ongoing implementation.
- l) The standards set by the *United Nations Declaration on the Rights of Indigenous Peoples* apply to First Nations education.
- m) The Truth and Reconciliation Commission's Calls to Action set out a framework for reconciliation, including with regard to First Nations education, that must inform the relationships and collaboration between First Nations, the Province and boards of education.

#### **Parental Choice**

- n) Parents have the right to decide where their children will be enrolled to receive the benefit of an education program.

#### **First Nation Student Safety**

- o) Acknowledging the historic injustices and experiences of the past in schools, First Nation Students have a right to feel safe at school, including safety from racism (students and staff), indifference, bias, marginalization, bullying and stereotyping.

#### **Shared Accountability and Data-Sharing**

- p) LEAs are more than a mere financial transaction and serve as a core shared accountability mechanism for both First Nations and boards of education regarding First Nations education in the BC Public Schools.
- q) Timely and relevant data is required to inform decision-making to support First Nation Students.

## APPENDIX A: DEFINITIONS

### 1.0 DEFINITIONS

The following definitions apply to the Agreement:

**“Aboriginal Education Council”** means a council established by a board of education or school district, comprised primarily of representatives from First Nations within the school district, to provide advice to improve outcomes for Aboriginal students.

**“Adaptations”** are teaching and assessment strategies especially designed to accommodate a student’s needs so he or she can achieve the learning outcomes of the subject or course and to demonstrate mastery of concepts. Essentially, adaptations are “best practice” in teaching. A student working on learning outcomes of any grade or course level may be supported through use of adaptations.

**“Adult Dogwood”** means an adult high school diploma is the British Columbia Adult Graduation Diploma (BCAGD) for adult learners (18 and older) who want to take courses in order to complete high school and obtain their adult high school diploma.

**“Attendance Protocol”** means an attendance procedure carried out at the schools in the District, which outlines the recording of attendance of students and the approach to excused and unexcused absences with the overall purpose of encouraging strong attendance necessary for success in schools.

**“BC Public School” or “BC Public School(s)”** means all public schools in British Columbia providing kindergarten to grade 12 education, but does not include BC Independent Schools or First Nation Schools.

**“Board/Authority Authorized Courses”** are courses offered by BC Public Schools to respond to the local needs of the schools and their communities while providing choice and flexibility for students, according to requirements set by the Ministry of Education.

**“Child in Care”** means a First Nation child for whom the Director of Child Welfare is the sole guardian, and the Public Guardian and Trustee manages the child’s estate.

**“Dogwood Certificate or Diploma”** means the British Columbia Certificate of Graduation that is awarded by the Minister to a student upon successful completion of the provincial graduation requirements, as set out in the provincial Graduation Program and, for greater clarity, does not include an Adult Dogwood.

**“Early Leaver Prevention Plan”** means a plan of student supports, services or accommodations developed and implemented, where parental consent has been provided, in a manner consistent with the Attendance Protocol and with the purpose of re-engaging the First Nation Student and re-establishing strong attendance. The Plan applies where a First Nation Student misses more than 10% of scheduled classes in a month and will address academic, behavioural, attendance and any other relevant issues and will include interventions to be undertaken by the school, First Nation and parents.

**"Early School Leavers"** means:

- any First Nation Student leaving school prior to the completion of Grade 12, including students who are expelled; or
- a student who has 15 unexcused absences in a month, has missed 75% in any school month, or has missed 40% of a term or semester;

where the Early Leaver Prevention Plan has been unsuccessful and the First Nation Student has no Individual Education Plan.

**"Evergreen (School Completion) Certificate"** is a school leaving certificate intended to celebrate success in learning that is not recognized in a Certificate of Graduation (Dogwood Diploma). It is used to recognize the accomplishments of students with special needs and an Individual Education Plan, who have met the goals of their education program, other than graduation (and not all students with special needs should be in an Evergreen Certificate Program.) The Evergreen Certificate is not a graduation credential; students who receive an Evergreen have not graduated. The Evergreen represents the completion of personal learning goals but does not represent graduation.

**"First Nation Student Rate"** means the education costs for a First Nation Student attending a BC Public School in a school district, as calculated annually by the Ministry in consultation with FNEESC and Canada (formerly the "First Nations Billing Rate").

**"First Nation Student"** means a student who is ordinarily resident on a reserve of YG in British Columbia and is eligible to be on the Nominal Roll.

**"First Nation Transportation Fund"** means the First Nation Student Transportation Fund established by Canada, British Columbia and FNEESC to fund the transportation of First Nation Students to BC Public Schools, commencing in the 2019/20 School Year.

**"Indigenous Services, IS, ISC or DISC"** means the federal department of Indigenous Services.

**"Individual Education Plan (IEP)"** means a documented plan developed for a student that describes individualized goals, Adaptations, Modifications, and the services to be provided, and includes measures for tracking achievement, as required by the provincial Individual Education Plan Order M638/95 and addressed in the Ministry of Education *Special Education Services: A Manual of Policies, Procedures and Guidelines (March 2011)*, as may be amended from time to time.

**"Individual Learning Plan (ILP)"** is an education plan developed by the School-Based Team for a student who does *not* meet the criteria for an IEP but is considered to be a Vulnerable Student.

**"Informed Consent"** refers to the provision of approval or assent, particularly and especially after thoughtful consideration, and after receiving all relevant information that is not unreasonably withheld. In the context of assessment and placement and education referrals, Informed Consent requires that the Parent be informed of:

- the assessment procedures to be carried out;
- the information to be collected;

- the intervention that may take place;
- the likely benefits and risks; and
- the option to refuse or withdraw at any time,

and be provided meaningful opportunity to provide input into the assessment and placement or education referral decision.

**“Minister”** means the Minister of Education (BC).

**“Ministry”** means the Ministry of Education (BC).

**“Modifications”** means instructional and assessment-related decisions made to accommodate a student’s educational needs that consist of individualized learning goals and outcomes which are different than learning outcomes of a course or subject. Modifications should be considered for those students whose special needs are such that they are unable to access the curriculum (i.e., students with limited awareness of their surroundings, students with fragile mental/physical health, students medically and cognitively/multiply challenged.)

**"Nominal Roll"** means the annual census of eligible students living on-reserve and attending elementary/secondary school as of September 30.

**“Operating Grants Manual”** means the provincial manual, as amended from time to time, that sets out the provincial funding formula that comprises a student basic allocation plus supplementary grants to determine school district allocations.

**"Ordinarily resident on-reserve"** means that the student usually lives at a civic address on reserve, is a child in joint custody who lives on reserve most of the time, or is staying on reserve and has no usual home elsewhere. Students continue to be considered ordinarily resident on reserve if they return to live on reserve with their parents, guardians or maintainers during the year, even if they live elsewhere while attending school or working at a summer job. (In this context, reserves are deemed to include all land set aside by the federal government for the use and occupancy of an Indian band, along with all other Crown lands which are recognized by Canada as settlement lands of the Indian band of which the student is a resident.

**“Parent”** means, in respect of a student:

- the guardian of the person of the student;
- the person legally entitled to custody of the student; or
- the person who usually has the care and control of the student;

**“School” or School(s)”** means and includes any school operated by the Board.

**“School Act”** means the British Columbia *School Act*, RSBC 1996, Chapter 412.

**"Vulnerable Student"** means a student who has been identified as finding learning more challenging based on the following factors: not meeting learning outcomes, significant absence from school, not transitioning to the next grade, failing courses, behaviour issues, under suspension, not at grade level and/or is a child in care.
